Solution of life - A Revolution of thought

Dear Countrymen,

We wish to organize a demonstration in New Delhi in near future. If we really wish to find the solution of life, means better life for everyone on the earth and want to be successful also then only way out is that we have to be united. The path to achieve whatever we think goes like this:

1. **Few thoughts** – To unite our countrymen and to build our country Hindustan a Heaven schedule number 4 – 12.
 - How poverty, corruption and terrorism can be eradicated from the country?
 - How an ordinary person can be prosperous?
 - How every section of the society can get a guarantee of livelihood in the country?
 - How a farmer can be stronger and prosperous in our country?
 - Acts which can make the countrymen prosperous?
 - How taxes can contribute towards the elevation of the country?
 - How water, air and climate can be conducive for the health in the country?
 - What should be the Reservation policy which can unite the country?
 - How democracy can be established in the country?
2. **A Question – Can our country Hindustan become a Heaven?** Schedule number 13
Answer – Certainly yes!
How? follows
3. **A synopsis of How our country Hindustan can become a Heaven... follows?** Schedule number 14
4. **Various issues and their solution related to How our country Hindustan can become a Heaven... follows?** Schedule number 15
5. Whatever has been mentioned above that can be achieved only when we are united and when **Our demands (in addition to the demands of the farmers and the public... follows)** are fulfilled. Schedule number 16
These are thoughts only and thoughts can be so powerful that it can achieve anything even may be a Herculean task. To achieve anything a little effort is required. Let us put our best effort may be a drop of water in the ocean and forget it, how immaterial it is, at least we did our best. We are sure that we will be successful and will achieve all this also very shortly.

To support the above system it is essential that **our Taxation system should be simple, reasonable, professionally managed record keeping, innovative and humanistic also.** For that we enclose:-

1. **A proposal to P.M. – Can be a better alternative to GST.** Schedule No. 17
2. **An Equalization tax – A Miraculous Tax for the leaps and bounds progress of the country.** Schedule No. 18

All this will lead towards progress, prosperity and elevation of the country.

This is a Revolution of thought

All are requested to join this cause i.e. **To build our country Hindustan a Heaven.**
