

## How our country Hindustan can become a Heaven?

**When our country Hindustan is like this as under:-**

1. When there is no poverty, corruption and terrorism.
2. Every citizen of the country is able to meet all his requirements of day to day life easily i.e. food, clothing, housing, education, health services, security, water, electricity and transport).
3. Every section of the society (i.e. student, farmer, laborer, employee and businessman / self employed) is having opportunities for livelihood on the basis of one's caliber and potential.
4. Life of disabled around us is comfortable i.e. orphans, old and handicapped.
5. Everyone is having facility of equal education, health services and one time food and that too free. In case of dispute, justice is made within time and country is having such a Reservation system which unites the countrymen rather than breaking them or the need for the Reservation may end/not arise.
6. *Jal* (water), *Vayu* (air) and *Jalvayu* (climate) are conducive to health as ***Jal+Vayu = Jalvayu*** . (On cleaning/controlling these, the problem of Global warming will vanish and other than this, there is no remedy in this world to control this).
7. Social evils are minimum or are not there.
8. Everyone is getting his share of profit/property (which is under the earth) in the wealth of the country equally.
9. Political system is such which works for the nation and entry only for those politicians who really wish to serve the nation. Police as a friend, judiciary for timely justice and bureaucracy for helping to make a strong democracy.

If you wish that all this should happen then for that purpose we wish to organize a demonstration very soon. **Brief details of which are given in an introduction of Solution of life – A Revolution of thought follows.**

Come and be a part of this journey and see everything happening very shortly. Your contribution in this journey can be just to spread an awareness about it amongst your near and dears. Another contribution can be to pass on the messages to our Prime Minister Narendra Modi Ji who can certainly help us in its execution (actually only Modi ji can help in this matter, no one else). As he is the most popular and powerful leader of our country.

The day it is done by an individual, that day will not be far off when our country really will be a Heaven and no power in this world will be able to stop this to happen.

If Modi ji is able to help us in this matter, the need for a demonstration may not arise.
