(On cleaning/controlling these, the problem of Global warming will vanish and other than this, there is no remedy in the world to control these). (for solution: please refer schedule number 10 of website: www.solutionoflife.in)

9. Political system is such which works for the nation and entry only for those politicians who really wish to serve the nation. Police as a friend, judiciary for timely justice and bureaucracy for helping to make a strong democracy (for solution: please refer schedule number 12 of website: www.solutionoflife.in)
