Few words about Purn Guru Ji

Our comments about Purn Guru Shri Chandra Mohan Ji:

1. He is a Master of the Ring and knows everything about the Universe.
2. He is a Representative of God, means He can do everything which God can do.
3. He can enter into body of anyone and operate that also.
4. He can make forget anything or everything to an individual.
5. He can speak anything through anyone but that person may not know, what he is saying.

Till date seven Purn Guru's have arrived on the earth and they are Shri Ram Chandra Ji, Shri Krishan Chandra Ji, Mahatma Budh, Jesus Christ, Chaitanya Mahaprabhu, Guru Gobind Singh and Madhav Rao (He was a ruler of Pune in 18th century).

At present Shri Chandra Mohan Ji is on the earth, just to change the world. He is working for the past more than 20 years. Shortly there will be a beginning of *Satyug*. i.e. end of *Kalyug*.
